

Folding Shovel 58*15cm

RH-9910

- This folding shovel supports many functions: shoveling, digging, cutting branches, sawing wood, planing, pickaxe, and more.
- Switch between shovel (shoveling and sawing wood outdoors), chopping (hoe for digging land), and pickaxe (for breaking stones and soil) modes for different tasks.
- Works well for camping, gardening, agriculture, and various other situations.
- Compact, easy to carry, and practical for home gardening, repairs, and outdoor use.
