

Induction High Pressure Washer

100Bar 1400W

RP-0100C

- Professional high-performance 1400W induction motor provides strong power that generates maximum water pressure for extreme cleaning power
- Total stop system automatically shuts off pump when trigger is not engaged and with the help of self-suction function ensures motor's long-life and also save energy
- Built-in thermal protector controls the temperature of the motor during longtime working
- Professional high-pressure gun for better functionality and more convenience
- Compact, portable design enables easy movement and provides more comfort during different cleaning tasks
- Equipped with adjustable lance which manufactured from high-quality raw material and let you easily control spray angle in different cleaning tasks
- External detergent tank for extra cleaning power and reducing cleaning time
- screw hose connector for easy and fast set up and quick inserting and removing of the hose
- Suitable for household usage
- 5-meter high-quality PVC pressure hose for more durability and higher efficiency

100BAR  **THERMO SWITCH** 

1400WATT

Model	RP-0100C
Power	1400W
Voltage	220-240V
Frequency	50-60Hz
Detergent Tank Type	External
Max Rated Flow	6.0L/Min
Motor Type	Induction
Weight	10 KG
Dimension	410×290×280mm
Max Pressure	100Bar
Includes	Quick connector, Water inlet nut, Adjustable Lances, 5-meter High-pressure PVC hose Detergent Tank, High-pressure Gun
Supplied In	Color box
